

JOIN TREEPEOPLE'S URBAN FORESTRY CREW!

TreePeople's Urban Forestry program empowers environmentally stressed communities with support, education, and tools to create green neighborhoods and become resilient in the face of climate impacts.

Are you passionate about environmental justice? Do you want to inspire, engage, and support communities to increase urban tree canopy and address climate threats?

**TreePeople is hiring for several positions
in South and Southeast LA, including:**

- **Community Organizer, South LA**
- **Community Organizer, Southeast LA**
- **Senior Community Organizer**
- **Community Forestry Associate**
- **Americorps Member - Planting Resilience**

¡ÚNESE AL EQUIPO DE SILVICULTURA URBANA DE TREEPEOPLE!

El programa de la silvicultura urbana de TreePeople empodera a las comunidades bajo estrés del medio ambiente con el apoyo, educación y medios para crear vecindarios verdes y hacerse resistentes frente a los impactos del cambio climático.

¿Está apasionado sobre la justicia ambiental? ¿Quiere inspirar, conectar, y apoyar sus comunidades para aumentar la cobertura de la copa de árboles, y examinar las amenazas del clima?

TreePeople está contratando por varias posiciones en el Sur y Sureste de Los Ángeles, incluso a:

- **Community Organizer, South LA**
- **Community Organizer, Southeast LA**
- **Senior Community Organizer**
- **Community Forestry Associate**
- **Americorps Member - Planting Resilience**
